With too much debt and not enough snow, ski

modul Les Otten negotiates a slinnery slone By Jones Director

## A Winter of Discontent

es Ottos, sobo mass America's barrest shill company, serretimes wishes he were not on you're a target for all those who want to see you fail. As the founder and chief executive officer of American Shifted Co., Otten was often whosed as the ski mored with the Midse touch. Stormlest out of his Naine hase five years ago to resillow other procedy. Office was project to the heat these to have pen to sking since metal edges. He was embraced as the savior of Pico in Sherburne and Sugarbush toward insolvency. While other recent corners fought environmentalists. Otten came to the state the stream-month of "more business paradistrue."

habitat protection, and collaboration, not confoortstoon But Otten's Midsa-like years has fished. The demissing resease projections and high debt lead Workers in Vermont and Colorado are upart for smell blood. Environmentalists are fighting his huge development project planned for the hase of Pillianther Otton has made and room ather hards
